Subject: Navy/ Northrop Grumman Bethpage - Change in EPA Project Manager

Good Morning, Brian and Ed. I thought I had let you know that Grumman has been reassigned to previous project manager, Carol Stein, last month but apparently I hadn't. Due to another reorganization at EPA Region 2, project responsibilities for the Navy/Northrop Grumman facility, in Bethpage, NY, have been transferred back to Carol in Region II's RCRA program. As such, please direct all correspondence, including project data, to Carol. Carol's email address is Stein.Carol@epa.gov. For EPA's permanent records, duplicate hard copies or disks can be sent to Carol at the following address:

Carol A. Stein, P.E.
Environmental Engineer
ERRD-SPB-MPS
USEPA Region 2
290 Broadway
New York, NY 10007-1866

I'm sure you all have heard directly from Carol on the project management reassignment but I wanted to formally send this email.

Thank you, and also Jason, for all the support you had given me over the last 2 years.

Lorenzo
